About the Kelly~

Kelly is inspired by her role as a mother and a wife. She became an advocate for Autism after the birth of her now adult son, Devon, who is Autistic. She loves to cook and bake, which results in trying new recipes on her friends and family.

About the KTOT Team ~

Kelly currently works with a staff of 6 highly-skilled writers, with a variety of interest and expertise. Whatever your product or service, there's someone onboard who can try it out!
